## Prayer for February 2024

### Prayer For Black History Month

Down through the years, God has been good to us.

We as African Americans, and people of color, we were, sold and brought into this country on slave ships. We worked in the cotton fields in the hot sun, and we sung praises to the Lord. We were branded like cattle and sheep. God, we know the pain and suffering of our ancestors.

We have heard the stories they shared with us. May the day come when these stories are so widely taught, that every month will be black history month. We know this day will not come until we as people make different choices. We pray for those new choices.

We pray for the day when the prison system is fair, no matter the color of your skin, nationality, or the office you once held. We pray for the day when our schools are well funded. Give those full of fear, hope. We pray that we will know grace, so our hearts will not be hardened with pain.

Widen our vision, every day, every month and every year. In Jesus Name We Pray.

AMEN
