During the COVID 19 pandemic our Worship Services, meetings and activities transferred to a virtual environment. "Shifting, Shaping, Sharing for a New Season"

"To everything there is a season, and a time for every purpose under heaven"
Ecclesiastes 3:1

The church passes through different seasons of ministry; however, The Gospel of Jesus Christ remains the same, even though methods of communication and transmission may change.

Realizing this is a New Season of Communication, we must work to:

Shift the focus to embrace changes and advancements to merge the past and present ages;

Shape mindsets to accept and receive new experiences and methods; and
Continue to **Share** the Gospel of Jesus Christ and the tenets and principles of African Methodism across generational lines.

Closing Plenary Session:

Intergenerational Leadership:

“Passing the Baton and Bridging the Gap”

“1 Corinthians 12:12-31”

It's important to know and embrace our spiritual gifts while realizing that God has called each of us to serve as members of the Body of Christ, and to have the same care one for another. Therefore, we should work to embrace and strengthen each other across generational lines through sharing our gifts and ensuring that there is no schism or division, even though we may have different approaches or views.
