### Privacy and communication preferences

Please read the Privacy Statement to see how the Club will use the information you provide. The Club's preference is to communicate with you by email as this supports the efficient running of the Club. The Club is obliged to seek your consent for the different types of emails it may send to you. Please tick the categories of email **you are happy to receive**. You will always receive emails about the governance of the Club and your membership.

Fixtures and team selection**		Club news, including website updates	
Club competitions		External competitions	
Social events and fundraising		Requests to support Club facilities	

*\*\* If you do not tick 'fixtures and team selection', the assumption will be made that you do not wish to play in league and friendly matches, including those connected to the Club's Centenary Celebrations.*

Enabling members to contact one another helps the Club to run efficiently. Every member will receive a contact list showing the name, email address and phone number of members. If you **do not** want your email address and/or telephone number to appear on this list, please tick the box(es) below. Your name will still appear.

Email address		Telephone number
