Policy Statement

The Scouting year runs from January until the following December. Re-chartering covers the scout charter registration, *Boys Life* magazine (if desired) and a portion of the adult volunteers' registration. Dues cover rechartering costs, awards, equipment, software, and program materials. The registration fee is determined in October, based on information from National Scouting organization, and families will be informed as soon as the next year's dues are known. These are required to be paid in full by the last meeting in November.
