LEARN Aiken Foundation is excited to be hosting a community event for kids and families in Aiken, South Carolina. On Saturday October 12th, we will be hosting a western style roping event with dummy steer ground roping competitions on Newberry St. in downtown Aiken called **LASSOS for LEARNING**. This event will include information about our nonprofit, free books for kids, T-shirts, western merchandise vendors, live music, food trucks, silent auction, and of course, **ROPING!** For more information please visit us at [www.learnaiken.org/lassos](http://www.learnaiken.org/lassos)

LEARN Aiken Foundation teaches reading, writing, math, and social skills, to empower K-5 students to develop a joy of life-long learning. By harnessing our “horse-power” we can help increase problem solving, team building, and promote positive character traits, leading to scholastic success. Your donation is 100% tax deductible and can help improve literacy in our community.

**We are committed to our vision; to create a place of peace and sanctuary for kids and equines in Aiken to develop a love for learning that can then be applied to all aspects of having a full, deep, and abundant life (John10:10).** The horses connect children to a better understanding of their true value and potential, helping them to overcome obstacles and turn limitations into boundless possibilities. Youth are empowered to increase their confidence, while celebrating who they are and how they can impact the world around them as they become life-long learners and innovators. Our mission is only possible because of the generosity of area businesses, organizations and individuals that desire to make a difference in the community with their gifts of money, in-kind donations, and volunteering.
