ADVANCED STANDING

Students who have completed courses in institutions other than Embassy College or have ministerial experience may receive advanced standing for their work. This requires submission of official transcripts, certificates, diplomas, and/or a ministerial resume to the Academic Team for evaluation.

GENERAL GUIDELINES

The Academic Team follows these general guidelines in awarding Advanced Standing credits:

- Individuals must be enrolled students before requesting an Advanced Standing evaluation.
- Students may request an Advanced Standing evaluation at any time after enrolling. Students are responsible to gather all transcripts, resumes, certificates, diplomas, etc. for submission to the Embassy College business office.
- Advanced Standing credit is officially applied to the transcript of an Embassy College student only upon completion of the residency requirement of five courses (20 quarter credit units) and payment of transfer fees if assessed.
- Advanced Standing is a digital process only. All forms, documents and transcripts are submitted to Embassy College in a single submission through the college website. Enrolled students should visit the “Enroll” page on the college website for details.
- It is imperative that all appropriate documents be submitted online in a SINGLE request to the Embassy College business office. Additional requests will be assessed a fee of \$25 per additional request.
- A “Request for Advanced Standing” packet with instructions is on the Embassy College website.

NOTE: Official transcripts should be sent to the requesting students not to Embassy College. Embassy College will accept copies for evaluation. The transcripts must be “official” and on appropriate letterhead and with official signatures.

FEES FOR ACCREDITED EDUCATIONAL UNITS

Students receiving advanced standing credit for accredited college, seminary or institute studies are not required to pay a tuition fee per quarter credit unit awarded.

FEES FOR NON-ACCREDITED EDUCATIONAL UNITS

Students receiving credit for non-accredited college, seminary or institute studies, or for special training seminars, conferences, missions, writing or other educational experiences, are required to pay a tuition fee of \$5.00 per quarter credit awarded. These are evaluated very carefully and a limited number of quarter credit units may be earned in this manner.

ADVANCED STANDING PLACEMENT: RESIDENCY

Units awarded as Advanced Standing help place the student in an advanced level of his/her program of study. Awarded units will not be applied until all applicable fees are paid, and the student completes twenty (20) quarter credit units of coursework to establish residency. From this point, Embassy College adds the awarded units for prior learning, when all fees have been paid, and the student works forward to the next higher level of study.
