EMBASSY COLLEGE

ONE SCHOOL WITH THREE STUDENT TYPES

Embassy College functions as a single educational resource with three student types:

1. **Solo Students (Earned Degrees)** -- Individually enrolled students taking courses by themselves. In this case, the individual student interacts with the course curriculum in a solo setting and acts and relates as a single student in regard to Embassy College. **Enrollment in Embassy College is required.**
2. **Associate Students (Earned Degrees)** - Solo enrolled students (distance learning) or a local group or groups of enrolled students (Training Centers) affiliated with an Embassy College Associate. These students may watch the video portions of the curriculum together and engage in group learning modules. **Enrollment in Embassy College is required.**
3. **Enrichment Students (No Earned Degrees)** - Unenrolled students that simply purchase the Embassy College courses for personal growth and enrichment with no credit toward a degree program. **Enrollment in Embassy College is NOT required.**

STUDENT ADMISSIONS - GENERAL REQUIREMENTS

Admission to Embassy College is governed by procedures developed by the Academic Team. The prospective student is assessed according to academic background, personal testimony for the Lord Jesus Christ and a sincere desire to study the scriptures. If the applicant meets the required standards in these areas, he/she is admitted to the school. Applicants for admission are considered without regard to sex, race, national or ethnic origin, or handicap.

● BASIC REQUIREMENTS

Students enrolling into Embassy College must be at least eighteen (18) years of age and have graduated high school or have earned a G.E.D.

● REQUIRED FORMS AND INFORMATION

The following items constitute an applicant's credentials upon which a decision for admission is based.

1. A completed application for admission (online).
2. Three personal references.
3. \$25 non-refundable application fee.

The Embassy College welcomes applications for admission from prospective students. An application guide may be downloaded for review on the Embassy College website. Formal admission is required of all students intending to pursue studies at Embassy College.

NOTE: Student Enrollment is done online. Potential students should visit the "[Enroll](#)" page on the Embassy College website for details.

● ABILITY-TO-BENEFIT

By special arrangement with the Embassy College business office, students 18 years old or older, who did not finish High School may be admitted under the ability-to-benefit clause. These students are admitted conditionally for twenty (20) quarter credit units (five classes).

They must maintain a 2.0 GPA (C) through five courses in order to have the probationary status removed. If so, the probationary status is removed and the student is admitted to full student status.

NOTE: High School Juniors and Seniors may apply under this provision for special admission status.

● ENROLLMENT CONFIRMATION

The Embassy College Business Office receives and approves all student applications. Once approved, the Business Office contacts the incoming student by email with information and links on setting up a student account in the online college. Normal processing time is two business days.

● ADVANCED STANDING WITH ENROLLMENT

Enrolling students having earned college credit or degrees in fields other than theology, or having earned college credit or degrees in theology courses, or having ministerial experience may receive full or partial credit for their work. If so, enrolling students may also submit an Advanced Standing Application at the time of enrollment.
