

# Daily Intercessions

## July and August 2026

*In our daily intercessions we suggest a country to pray for each day. To allow our prayer to deepen, we will now bring to God a different country each week. Russ Naylor has written short prayer topics throughout each week, alerting us to places and people who need our prayers. The first countries on this list are Ukraine, Lebanon, South Sudan, The USA, the Yemen, Afghanistan, the Democratic Republic of Congo, and Syria. For the peace of the world we pray.*
