Notices

FROM DAWN O. An update on Graham/Dad. The social services have made the decision, it's in Dads best interest to remain in Gleavewood. Obviously as a family it's upsetting but the right decision for Dad. He's getting over a nasty cold but other than that he's quite settled. We are in the process of emptying the bungalow. His personal effects have gone up to his room. If anyone wants to visit, Dad is in room 27.
