Thank you for having offered yourself as a candidate for the HOA Board of Trustees. As a way to identify and introduce you to the Residents of Tinkers Green, the Board has developed a list of questions to allow you to showcase yourself to the Community.

1. Can you effectively use a computer: Email, Spreadsheet, Presentation software, and word processing?
2. How would rate your ability to cooperate, communicate, and come to consensus with others?
3. What issues most affect our Community and need the Board's attention?
4. What would you want the Board to do differently as compared to the past?
5. What specific skills and abilities would you bring to the Board?
6. Have you ever served as an officer in another group or organization?
7. If you have read the HOAs organizational documents? Are there specific changes you would suggest?
8. Do you have ideas to promote contact and familiarity within the Community?
9. What personal background/biographical information would you like to share.

Please complete and return your responses by email to board@tinkersgreenhoa.com not later than November 10, 2024. Your comments will then be distributed to all residents for their review prior to the Annual Meeting elections.
