Chassis Assembly

This is based around the S&M Model Kit and follow the kit instruction f or the lower hull and Wheels plus the tracks,
Use kit parts: A1, A5, A3 only for the hull.

Side skirts parts 4, 5, 6 and 7 can either be fitted or just the front sections
Parts 4 and 5. See photos.

Stowage boxes parts 2, 3, 18, 19 and 20 can be fitted if required. Again
See photos for the position and combination.

2

Hull Assembly

Bin Part 21

Cradle Part 28

**GPMG position
(Not provided)**

Bin Part 21

**Box Front stowage
Part 18**

INSTRUCTIONS

- Remove any flash by gently snapping off, or cutting with a scalpel and then lightly sanding.
- Only use Super-glue or a two-part epoxy glue to fix parts.
- Gluing is easier if mating surfaces are slightly sanded to roughen the resin before gluing. Also clean off any dust before gluing.
- Before painting, thoroughly wash all parts in warm water with detergent.
- We recommend the application of a base coat in a light colour to show any blemishes prior to final painting.

WARNING & SAFETY!

- These parts are moulded in polyurethane resin. Please take care when sanding and cleaning up the resin by wearing a dust mask or other protective breathing device to avoid inhalation of the dust particles.
- Wash hands, resin parts and the work surface after sanding resin.
- When using Super-glue or two-part epoxy glue, please take precautions to avoid contact with skin and eyes.
- It is also advisable to wear a mask to avoid breathing in any fumes from the glue or work in a ventilated room.
- The use of barrier creams on hands or wearing disposable gloves, and working in a well ventilated area, is strongly recommended.
- Not suitable to children under 14 years of age.

Thank you for purchasing this Air-Graphics product which forms part of a range of accessories, conversion sets, decals & kits all to 1/72 Scale.
