Biography

Overseer Dr. Carrie Buie Bryant

Overseer Bryant has been preaching the Gospel since her teen years. At the age of 18 years, while working in Atlantic, VA, God called her to preach His word. She evangelized for twenty years before accepting the call to pastor. Evangelizing was her passion. It was only after a personal trial that she said yes to the Lord.

She is the Senior Pastor of True Holiness Deliverance Tabernacle, Inc. Sanford / Jacksonville, FL. She founded The United Front for Holiness in 2002. United Front consists of Pastors who are standing for holiness and righteous living.

Overseer Bryant has birthed and nurtured countless souls. Many of them have become Pastors and established churches. This last day messenger is an anointed vessel and a true warrior for souls; in addition, she carries a prophetic and healing anointing. Many have been healed in her services, and one lady received her sight. She believes the word of God is to be manifested once spoken. As a model of God's righteousness, she cries loud and spares not. She lives what she preaches.

This dynamic speaker has received many awards and can be found in "Who's Who among Business Women". In 2007, she received the "First Elect Lady Award". December 2010, she received a "Legend Award" from Gospel Now. Her book, [From Hard to Heart](#), tells how God molded and shaped her for battle.

She is the mother of Bishop James Avery Buie, pastor of Revival Deliverance Center Churches in Benson, Lumberton and Roseboro, NC and Carsandra Buie, Esq. She has two grandsons, Shakeem and Adonnis.
