

Taking a newcomer through the steps quickly

This outlines an approach to take a newcomer through the steps formally and quickly. This page numbering is based on the fourth edition of Alcoholics Anonymous. We have paired the readings for each step with recordings covering the same content.

Paragraph numbering is based on counting the paragraphs that begin on a page - not ones that continue from a previous page. E.g., paragraph 1 on xxviii begins with “We believe, and so suggested a few years ago...” therefore paragraph 2 on xxviii begins with “Frothy emotional appeal seldom suffices.”

Because paragraph 4 (begins with “Men and women drink essentially...”) continues onto page xxix, paragraph 1 on xxix does not begin until “On the other hand...”.

Audio for the recordings of taking the steps can be found on major podcast platforms (e.g. Spotify – links shared below, Apple Podcast, etc) by searching for “purpose of this book” or on www.purposeofthisbook.com; the worksheets mentioned in the recordings are also on the website.
