

▶ **Let Us Show You Why We're 'The One' for Data Management Solutions**

Are other data management solutions leaving your customers unfulfilled? Still looking for 'The One'? Fall in love all over again at a Commvault date night in Manchester or Leeds. Join us at whichever city and date are most convenient to you for drinks and curry. And we'll show you how to uncover opportunities and grow your business with Commvault. It's a beautiful partnership!

We'll Get To Know Each Other Through These Red Hot Topics:

- **Release Schedule and Roadmap** -- We'll discuss what your customers are asking for help with, and how new Commvault features can help.
- **GDPR** -- We'll cover our unique offering to help your customers and prospects to easily comply with this upcoming mandate.
- **Hyper-Converged Uncovered** -- Be among the first to learn about the scalable HCI solution Commvault is developing for data management and how it works.

Choose the location and date most convenient for you:

▶ **Leeds city centre (venue to be announced)**

◆ Thursday, 7th of September
5-6 p.m. London Time.
