SET THE FOUNDATION

For a better life and hope

The first part of a home is the foundation. Without it, the house would not stand. The average cost of foundation is \$11,000! As we prepare for our 2021 home build, we need your support and kind monetary donations to set the foundation for the home and for hope.

~\$18,000

Insulation
~\$6,500

Doors & Windows
~\$10,500

New Paint for Sale at ReStore

We are now carrying cans of NEW PAINT at our ReStore! Come in today to check out our selection, priced at :

\$18.25 for a 1 gallon can, and

\$90 for the 5-gallon bucket

The paint, GreenSheen is a "quality house paint," that is good for use inside and out on walls, ceilings, and trim, is naturally lower in V.O.C.'s and provides "exceptional coverage and durability."

Building a Home through Round-Up

If you have been to either of our stores recently, you have probably heard this question while checking out, "Would you like to round up to help us with our next build?" Each penny raised from this campaign goes right back into the community in building affordable, decent housing. The funds support the material cost of our home builds including nails, lumber, shingles, etc.

Within the first quarter of 2021, we have raised \$8,883.59 through this campaign! Our goal for the year is \$33,000 and we are excited to reach it. Thank you, Park County, for your support!

Online Donation Pick-Up Request

You can now request pick-ups for large-item donations on our website! To input a request, go to the "[stores](#)" [tab](#) on our website, fill in your information, click send, and we will give you a call within 48 hours. You can even upload pictures of the items that you are looking to donate. Donations made to our stores contribute to our mission and help fund our home builds.

Home and Garden Show

Thanks to everyone who stopped by our table last weekend to learn more about our work. Congratulations to Jim Holler who won our "Build n' Sip" raffle from the show!
