Mountain Spirit Subdivision

It has been 17 years since MSHFH received a generous gift in which we were able to invest in our first subdivision, the

Mountain Spirit Subdivision, in Cody. With 6 acres of land, we will be able to house 26 families! 13 houses have been built so far and we are in the process of planning our next home build for the area.

Overall, we have built a total of 21 houses in Park County since our founding in 1997. This has been made possible with the help of the community, volunteers, and donors.

Keep reading our newsletters to stay up to date on our home build and developing projects!

Volunteer Spotlight

Arlene Tokar has been volunteering at the Shop on Bent for over a year. Giving about 10 hours of her time each week, Arlene has impacted many by providing a helping hand, a smile, and friendship.

“She truly lifts our spirits every time she walks in the door”

Alex Carmon, store team member

Arlene enjoys finding unique items at Habitat and has been a second-hand shopper all of her life. She encourages others to volunteer as she believes that it is “our responsibility to keep the community that we live and work in going.” Volunteers like Arlene are important to Habitat and the future of Park County. Contact our volunteer coordinator, Erica Kelble, at coordinator@mshfh.org, to get involved!

Looking for some Summer Fun for your Child?

Make sure to sign up, starting June 1st, for Cody's Park County Public Library's summer reading program “Tails and Tales.”

This year, as a part of their “Kindness Rocks” program, the library will be supporting Habitat! This program encourages children to both read and support the community. [Click here](#) to learn more about their program!

Customer Appreciation Day!

On June 25th, we will be celebrating YOU, our supportive customer. Stop by for some great treats and for the chance to spin a wheel!
