Club of Alturas

PEOPLE OF ACTION

Our club offers opportunities for members and others interested in making a difference to get involved. Members learn about community issues through meetings, social events, and volunteer projects and partner with local experts to exchange ideas, identify solutions, and respond to needs. In addition to service, members regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International, a global network of more than 1.4 million members who believe that great things happen when dedicated minds come together.

MAKING A DIFFERENCE

Solving real problems takes effort, commitment, and vision. Our club is working with various partners on the following projects:

Improving Community - Collaborating with the Alturas Chamber of Commerce and Plumas Bank to enhance the Alturas Main Street Park.

Mentoring Youth - Teaming with the Modoc Middle School, we bring youth together through the Interact Club to develop leadership skills and experience Service Above Self.

Ending Polio - Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio once and for all.

Promoting Literacy - Together with the Friends of the Modoc County Library and the Niles Hotel, the Alturas Little Free Library provides free books to people of all ages.

GET INVOLVED

Becoming a Rotarian allows you to meet community members and make an impact at home and around the world. We invite you to visit our club to learn more about us and the opportunities we offer to get involved.

Our members have found that it's a rewarding experience.

Being a member of the Alturas Rotary Club has brought me into the presence of people with hearts for service, who are visionaries, and who, like me, see fulfillment in being a part of something much bigger than ourselves.

- Alan Cain, Rotarian since 1996

Our Rotary Club is a mighty little club of dedicated, community-minded and generous members. My small contributions of funds and time are multiplied by our Club's combined energy, desire to improve life, and living conditions for all.

- Karen Shimamoto, Rotarian since 2003
