## May Message

*Dear Fellow Rotarians and Friends,*

There is something about the month of May that puts a spring in our step and a promise of hope for the future. After too many months of doom and gloom and a nation that appears to have lost its mind, out pops blossoms, blooms and yellow leaves that are showing off their infancy on the way to maturity.

We are so fortunate to live in an area where nature provides a new show every day. The setting sun casts a glow on the Warners, turning them to a beautiful purple with patches of snow glistening through.

Traveling from one town to another throughout the County one can see a new beginning around every corner, trees budding out, grass poking through the soil, deer shedding their winter coats, new babies in the fields, and so much more. Even the sometimes dark clouds above don't diminish the joys that May offers.

All this is a signal for us to move forward, to grab hold of a future that will bring us hope, joy and peace, more than we can imagine, and with many promises and possibilities.

#### **What do you want your future to look like? What do you want the future of our Rotary club to look like?**

Our personal future as well as our Club's future are in our hands. Individually and as a team we can move forward to make these futures meaningful, enjoyable, and successful.

Together, let's make it happen.

Yours in Rotary,

Carol
