

Rotary Club of Alturas

Dear Rotarians,

I remember a canoe trip I was on several years ago in Canada. It was late September, the weather was wet, cold and foggy. I could not see where we were going and was bummed the beauty of the area was hidden by the fog. Then all of sudden there was a mammoth moose on the shore. The day's toil suddenly became well worth the prize of magnificence before my eyes!

Our Rotary club really works hard to raise funds and put those funds toward really life changing things in our community and the world. We need to take time to look at the magnificent work Rotary has done for our community and the world. Thank you all for your Service Above Self!!

Last month was busy, especially for Sandy Stevenson as she took the lead for Rotary's Oktober Brewfest. It was very well attended! The band was spectacular and appreciated by all playing 30 minutes past the end of the Brewfest. Dancing was going strong until the end. Many people thanked us for putting on such a fun event! Sandy thinks big and she is already thinking bigger for next year!

It looks like the McConnell Foundation will not be able to help fund the Main Street Park Shade Structure. They have not given us the final no, and we believe they were looking into

a way to stretch their guidelines.

However, there are other funding sources out there! Carol Madison proposed through TEACH Inc. for Rotarians to oversee court-ordered community service. Volunteer Rotarians can oversee participants performing their community service hours and Rotary will be the beneficiary of funds for volunteer service. More details to follow!

PRESIDENT'S MESSAGE

OUR CLUB

On a sad note Bobby Ray passed away on October 8th, 2022. Bobby was a Rotarian for 47 years. He is a past President of our Club and was the lead on the Junior Livestock Sale for many years. He was a tremendous resource as a continuous longstanding Rotary Board Member. Bobby was active with the City Council serving twice as Mayor twice. He truly lived Service Above Self. A proposal will be coming before the Club to recognize Bobby Ray's service to our community. Please keep Michelle and Bobby's family in your thoughts and prayers.

With you I stand for the best for our community and the world.

Walt

OUR CLUB

Dick Read is our Rotarian of the Month. Dick is always there to offer a helpful hand and to give encouragement. Thank you Dick!

Elizabeth Cavasso invited Modoc County CAO Chester Robertson to update us on the many new assets coming to the County - like more **Broadband!**

REGL students at Grizzly Creek Ranch - coming to visit us soon!

Alan and Jeanne's recent trip to Argentina - to visit Inaki and his family! Our RYE Exchange Student!

This morning, at the Ezeiza International Airport in Buenos Aires, the blond student in the lower right of this photo was wearing a blue dress jacket covered with pins. I approached her and asked if she was a Rotary Exchange student and discovered she and the gal to her right are both RYE out-bounds from Michigan and Wisconsin, to Argentina. They were both arriving on our flight for their exchange. The lady to Jeanne's right is a local Rotarian who coordinates getting the inbounds to their respective host families and communities. Inaki exchanged phone numbers with the Rotarian in an offer to be of any assistance. Gotta love RYE!!
