Mid-Winter Recess Camp

(February 18 & 19 and/or 20 & 21, 2020)

When you have children, it's impossible to match your work schedule 100% with your kids' school calendar. There will always be stray vacation days and other days off that make it impossible to keep your kids occupied with constructive activities while allowing you the time to get some work done. With our Mid-Winter Recess Camp, we provide a solution that will receive rave reviews from your kids.

Drop the kids off in the morning before you go to work, and simply pick them up on your way home for the day. Our professional staff will make sure everyone has fun on and off the ice.
