Dear Sir/ Madam,

**Re: Works carried out by Al-Hatim Décor Ltd**

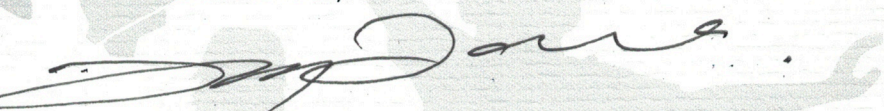

Haria's Outfitters Ltd is the largest uniform supplier in Kenya with branches across Nairobi supplying all major schools and corporate clients with their custom needs. We contracted Al-Hatim Décor Ltd in the month of August 2020 to refurbish our store at Sarit Centre, Nairobi. The scope of works included all builders works from ceiling to flooring, electrical works and most importantly our furniture, which is a key element for our business.

Al-Hatim Décor Ltd matched to our architects design and specification to the detail and delivered the highest quality of standards and finishing in all our furniture and overall project. With a very accommodating and dedicated team they worked through day and night to ensure that the works were completed on time.

Al-Hatim Décor Ltd has illustrated their attention to detail, quality and safety on a number of occasions. It is the policy of this company to strive for the highest standards. Construction requires a serious commitment by everyone and the Al-Hatim Décor team has met and exceeded our standards.

We wish them every success in their future business and would like to have such relationships with them again on our future up-coming projects. We would strongly recommend them for any multinational / national company who are looking for great interior designer & contractor.

Yours Faithfully,

Deep Shah

Director
