

Badlands Loop 313 KM

Description:

You are in the country within minutes of Calgary Harley-Davidson. Ride through prairie farm land and watch the landscape change into the badlands. Cross the Red River on the Bleriot Ferry (toll free) and continue on the Dinosaur Trail. Stop at Horsethief Canyon, given this name due to the illegal horse trade that occurred here. Legend says that horses were smuggled between the USA and Canada were hidden in this canyon. This part of Alberta was once covered by the sea and then a tropical rainforest. Drumheller is known as the Dinosaur Capital of the World due to the large deposits of dinosaur bones. Be sure to stop at the information centre in the heart of the town. You can't miss it as you'll see the huge dinosaur. You'll continue out of town toward the village of Rosedale and then across the Eleven Bridges road to the Last Chance Saloon in the old coal mining town of Wayne. A ride back through the prairies will bring you round trip to Calgary.
