Lake Arrowhead News Letter

August & September 2019

Thank you, Jim and Wanda Bennet, for volunteering to chair the July 4th picnic. I was unable to attend but I heard over 100 of our residents had a wonderful time. They have also volunteered to chair the Labor Day picnic. Look for signup sheet soon in the clubhouse.

Without our wonderful volunteers we would never be able to have all of the fun activities.

For those of us who remain here in Paradise - Remember we still have activities going on in the summer time.

Every Sunday afternoon at 2pm join friends in the clubhouse for a variety of games.

Pool "Aquasize", exercise every morning but Sunday.

Monday night cards- double pinochle and Ladies penny poker, men's pool

Every Tuesday and Friday afternoons at 12:45pm, we play Hand and Foot cards at the clubhouse. Don't know how to play we would love to teach you. Some of us play seven's after (bring your nickels).

Thursday men's poker at 6pm, women's penny poker at 5:45pm.

Friday night at 6:30pm we play Euchre cards at the clubhouse till about 9pm.

Corn Hole fun has been going on in the clubhouse (because of the heat/rain outside). This is on Wednesday night starting at 6pm. They always welcome new players.

Reminder

Ultra 5 requires recreational bracelets (green for residents, orange for visitors) be worn or carried anytime persons are using the recreational facilities in the club house area.

President of Business and Social Club Jean LeValley

We will be having a Labor Day picnic Sept 2 at 2:00. It is still in the planning stages, but we are having a different menu. More information later. We will put up a sign-up sheet for helpers and attending closer to the time. Mark your calendars to come and have a good time.

Mark Vere; Raindance Lane. Hello Neighbors; I have received the AED (defibrillator). Will contact the company to set a training date for up to 20 people. Please use the signup sheet at clubhouse if you wish to be trained on its operation. This is a very important lifesaving piece of medical equipment which will benefit all who call LA home. Thanks to Ultra5 for supplying this unit!

We have changed the time for Casino night, 5:00 to 8:00. We will start at 5:00 and play games at 6:00 or as soon as we finish eating. Dates for the rest of the summer will be July 27, August 24, Sept. 21 and Oct. 26. This month's menu will be Sloppy Joe's, slaw, chips and dessert, for a small charge. For newcomers to the park, this is a fun game night. All games are a nickel, dime or quarter - all money paid back. There will be a sign up sheet at the club house.
Jim and Wanda

Many thanks to all who sent cards and expressed condolences for the loss of my brother, Dudley Middleton. Your thoughtfulness is greatly appreciated.....Lois and Marty McMahan

News from your Lake Arrowhead Homeowners Association

It's hard to believe that summer is flying by, and I'm writing a note for the August/September newsletter. As I type from my desk in Maine, it feels like Florida outside: highs in the 90s with lots of humidity. An unusual summer weather pattern!

Your board officers have continued to advocate on behalf of our community throughout the summer. A newsletter has just been mailed to residents from management with project updates and timelines. The unusual storm we had in June did quite a bit of damage to Ultra 5 properties, so that has pushed other projects ahead a bit.

Mark Vere, HOA vice president, has headed up the Defibrillator project, and we are happy to report that he received the device last week. He will be coordinating a training session with the company shortly, so watch for information on NextDoor and the clubhouse bulletin board. If you haven't already volunteered but would like to do so, please give Mark or me a call.

Gary Hamilton has been dealing with complaints, one of which has to do with the Muscovy duck problem and the feral cats. Ultra 5 has agreed to work with us, and has contacted agencies to assist with both concerns.

I have stayed in contact with Angel and Judy regarding project timelines and concerns of residents, and Judy has just been in the park to assess continuing needs. We look forward to seeing the completion of the projects we have been working toward before the end of the year.

We wish everyone good health and a comfortable summer season, and look forward to gathering again in the fall.
