I am proud to be a Real Estate Professional. I have found that helping others is what I enjoy most in life and by working in this field I can do that. I prefer working with sales of existing and new homes. Specializing in 55+ Communities.

I have received many Awards from RE/MAX for Achieving Outstanding Results, for being Dedicated to my Clients and Significant Contributions to the RE/MAX Network.

When I first became a Realtor I worked for a large independent Broker for several years then decided it was time for a change when I became a RE/MAX Agent and know that was the very best choice of all. ReMax Anchor has been a really wonderful brokerage to be with.

Voted "Best Neighborhood Realtor" twice by many neighborhoods on the Nextdoor Website.

I received the "Sales Excellence Award" for sales during 2002 by the Realtor Association of Greater Fort Myers and the Beach.

An Award winning Top Producing Realtor for over 26 years experience in selling/listing hundreds of Homes, Condos & Manufactured Homes on Deeded property with Multi-Millions in Sales.

Honesty & Integrity is the basis of my career. You can count on me to be honest at all times. My main concern is doing the "Very Best" job I can to help you with your Real Estate interests and to offer you First Class Service. I am always here for my Clients.

Originally from Toledo, Ohio area, moved to the Fort Myers, Florida area to be where the SunShines everyday and love it.

I was an Accountant & Office Manager for a large Charitable Organizaion that cares for Orphans, troubled Children & Families, Senior Citizens Housing, Condos, Assisted Living & Full Nursing Homes in Ohio.

I am a member and active in organizations working on behalf of Children and their hospital needs, as well as other charities. I have many wonderful friends made thru these organizations and find the work we do for others very rewarding.
