PRIVACY INFORMATION AND CONSENT FORM

The law gives you certain rights in relation to information that you give to this medical practice. We need your consent to collect personal information about you. The fact that you have come here implies that you consent to us knowing about your health situation either for a particular event or generally. This form explains what your rights are over the use we make of the information and how we may disclose it to other medical service providers.

Please carefully read the following information about privacy issues, then sign this form where indicated below. It will go on your file and you may examine it at any time.

The main reason we collect information from you is so we can assess, diagnose and treat your illness properly. We will also use the information you provide in the following ways:

During your consultation, your clinician may use an AI tool to help write clinical notes and correspondence. This involves recording the conversation and turning it into text.

- Administration of this practice.
- Billing, including compliance with Medicare and Health Insurance Commission requirements.
- Disclosure to others involved in your health care, including doctors and specialists outside this practice who may become involved in treating you. This may occur through referral to other doctors, or for medical tests, and in the reports or results returned to us following the referrals.
- Disclosure to others for medical defence purposes if necessary.

PATIENT'S ACKNOWLEDGEMENT

I have read this form and understand why collecting information about me is necessary. I am also aware that this practice has a privacy policy on handling patient information.

I understand that I am not obliged to provide any information requested of me. I also understand that failure to provide this medical practice with all the information it needs may restrict the practice's ability to provide the quality of health care and treatment that I want.

I am aware that I have the right to access the information collected about me, except in some circumstances where access might legitimately be withheld. I understand I will be given an explanation in these circumstances.

I understand that if my information is to be used for any other purpose other than set out above, my further consent will be obtained.

I consent to AI software being used to write clinical notes and the handling of my information by this practice for the purposes set out above, subject to any limitations on access or disclosure about which I notify this practice now or at any future time.

I acknowledge that I have read this form before signing it and that a member of the staff of this practice has at my request clarified any aspects of it that I did not at first understand.
