Dear Future Permanent Makeup Student,

Thank you for inquiring into the wonderful world of permanent makeup. This is truly a wonderful profession, and it keeps getting better and better each year. It truly is the biggest money maker in the salon industry, and you will be able to make women and men look and feel 10 years younger!

We offer the highest standards in equipment quality and products. And we follow strict guidelines when it comes to education. We offer a small class size here, 2-4 students only per class. Lots of practical training and practice on faux skin under close supervision before advancing to real skin. Hands on training is an absolute must in this industry! You are placing permanent pigment into a client's face that will be there forever. This is NOT something that you can learn by just watching a video to learn the feel of going into the skin with a needle.

Our course will teach you not only the mechanics of permanent makeup but also how to blend pigment colors, use of anesthetic, sterilization, cross contamination prevention, and so much more that is described in our Course Curriculum section. This is a very intense class as there is a lot to learn. Upon enrollment a pre-study manual will be sent to you along with our regular manual and other study materials and information. When you complete the study manual, message us and we will send you the link for the test. The test must be completed and passed before attending any in person classes. It is imperative that you fully understand the subjects covered as these are the building blocks to begin your training. The more you prepare the better your class experience will be.

We are very proud to say that our reputation for quality and attention to detail in our day-to-day business practices as well as our training has brought us students and clients from all over this state as well as surrounding states.

Once you have graduated, if you need help in the future, you may always text, call or email and we will get back to you as soon as possible. You will always be welcomed back just to spend a day or just a few hours to observe procedures after you graduate. Also, as a graduate student you will always be notified first of upcoming classes and be offered a discount on all future classes.

If you have more questions about this class, feel free to reach out to us. We would be honored to help you achieve your goals in this highly rewarding field of permanent cosmetics.

Our goal is to help you every step of the way, to be the best technician that you can be. We will support you all the way, to prepare our professional graduates to gain success beyond their wildest dreams! We are looking forward to talking with you and helping you further your education in this exciting new career.

Sincerely,

OUT OF TOWN GUESTS

CLASS DATES:

Go to our website: www.dragonflypermanentmakeup.com to see upcoming classes

WHAT TO BRING:

All needles, pigments, gloves and supplies that you will need for the entire class will be at your disposal during the class. You will not be using anything in your class kit during the class. Class will begin promptly at 8am everyday. Be sure to have a nutritious breakfast before your arrival. Lunch will be provided for you. All drinks should be in a closed container only.

MATERIALS:

Be sure to bring your manual with all of your practice material so your trainer can see your progression and so you can take notes on topics learned in class.

MODELS:

We prefer that you make arrangements to bring your own models to the class so you are able to do the follow-up appointment with them allowing you to have more practice with them, and you will be able to see your healed results. You can assure your models that we have never had anyone mess up someone's permanent makeup. We are also certified in removal at this location as well so they can be assured that they will be taken care of.

WHAT TO WEAR:

Wear comfortable professional looking Black attire. Some students prefer scrubs, so feel free to wear them. Pigment will be spattering and is not easily removed from clothing. Pictures will be taken daily and on graduation day and may be used in our marketing materials and on our website as well as social media.

CAMERAS:

Yes, please bring your camera or smart phone, (on silent) as this will be the start of your portfolio and we encourage you to take as many pictures as you like.
