Whenever there is a disaster in Haiti, some ill-intentioned people have always tried to benefit from the Haitian people's misfortune. We must stop or minimize those heartless practices in our community.

Bethel Haitian Baptist Church (BHBC), a 501(c)(3) corporation, located on 320 Springdale Avenue, East Orange, New Jersey 07017 would like to organize a Gospel Concert to help raise funds to support our fellow Haitians who were victimized at the wake of a 7.2 magnitude earthquake that rocked the Southern part of the country on August 14, 2021. Current statistics reveal that more than 2,000 people lost their lives and countless others ended up losing a limb or a part of their physical body. Some are still remained buried under rubbles. This devastating earthquake left behind countless of people homeless and broken-hearted. Church buildings and other livelihoods are thoroughly destroyed or damaged.

Moved and motivated by the heartfelt compassion of Jesus, BHBC brothers and sisters, accompanied by their leaders, are about to organize a **Gospel Concert on September 18, 2021 at 6:00 PM** to raise funds to assist our Haitian people in need on the Southern part of the country. All funds collected will go directly to the victims of the quake. A BHBC team will travel to Haiti to hold the distribution of the money collected.
