Dear Maniram,

This letter is to acknowledge the receipt of the business documents for **Emisint LLC**. These documents have been reviewed by MSHDA staff in the Equal Employment Opportunity Division of Rental Development and the Office of Housing Access and Opportunity. Based upon that review, your company has been determined to meet the established criteria for being Deemed a **Minority Owned Business Enterprise**.

Your company will be listed in **MSHDA's Minority/Women Owned Business Enterprise Directory**. The inclusion of your company's name in the directory will not impose any obligation on MSHDA or any general contractor to solicit your firm to do work or to supply for MSHDA-financed developments.

Also, the Michigan State Housing Development Authority is not recommending, warranting, or providing any guarantees or assurances of the performance of the companies listed in the directory. The Directory is for information purposes only.

Should your firm receive a subcontract to perform on a development financed by MSHDA, the required MSHDA subcontractor's documents and reports must be completed and submitted to MSHDA for the general contractor to receive credit toward equal employment goals.

Finally, please be advised, that failure to renew ownership status with MSHDA before the noted date expires, will be cause for your company's name to be removed from **MSHDA's Minority/Women Owned Business Enterprise Directory**.

If you have any further concerns or questions regarding this matter, please feel free to contact me via email at [edwardsh3@michigan.gov](mailto:edwardsh3@michigan.gov) or at 517.241.0541.

Sincerely,

Haywood J. Edwards, Sr., Strategist, Inclusion Specialist
