

TECTOW

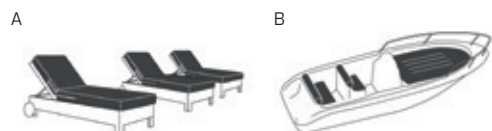

Sauleda

TECTOW

With its 100% solution-dyed acrylic composition, Tectow is an ideal fabric for outdoor furniture and nautical covers, offering extremely high sun resistance that allows the colors to stay in perfect condition. Por su composición, 100% acrílico tintado en masa, Tectow es un tejido ideal para su aplicación en mobiliario al aire libre en embarcaciones y fundas náuticas, con una altísima resistencia al sol que permite conservar en perfecto estado los colores.

APPLICATIONS APLICACIONES

- A Nautic lounge covers** Funda tumbonas nautic
B Nautic upholstery Fundas barco nautic
