

NUTRACYTE™

CanyonMD

Solution for Amniotic Membrane

No upfront cost...

EASY PROCESS:

1. Practice sends IVR form to CanyonMD verification team. CanyonMD will perform a pre-authorization if required for secondary.
 2. Results are sent to practice.
 3. Practice orders amniotic membranes and shipped the same day or the next day overnight (No charge).
 4. Practice treats the patient.
 5. CanyonMD will submit bill to Medicare.
 6. When practice is reimbursed they pay for the membrane and billing services.
- 

BENEFITS:

- Seamless process from verifying patient benefits, pre-authorization, ordering membranes, shipping membranes, insurance submission to posting payments.
- Provide guidance with documentation for medical necessity.
- Assist in any appeals or insurance requests.
- Keep providers updated on payer's policy changes.
