Swim With a Mermaid Session Pay Breakdown, Ticket Sales and Info Please Read Before You Sign this Contract

- Friday performers will receive a 50/50 split of ticket sales for their session (a full session for Friday will pay out \$250, a full session on Saturday will pay out \$312.5). Each session has 25 spaces for children; performers will be encouraged to advertise their swims, and fill each space. The more spaces filled, the more money each performer makes
- The venue is providing certified lifeguards, please do not bring your own. You do not have access to a plus one for this event, as space is very limited in the pool area
- Performance duration will be 1 hr swimming with children. Saturday swims will have a special theme, talent or add on (a magic show, bubble show etc.). Performers will decide the format and activities for their sessions
- The California Mermaid Convention will have one free session on Friday, and one on Saturday. We want to make sure we include families who may not be able to afford a ticket price. If you are willing to swim a free session, you will receive a \$75 stipend or 50/50 split. Whatever is greater based on signups
- The California Mermaid Convention will be selecting how many sessions each performer would like to swim, as well as the schedule, based on your preference.
- If you are accepted as a performer, The California Mermaid Convention requires that you fill out a non-disclosure/non compete for the weekend of the convention.
- You will be notified if you are accepted as a performer. If you are selected, we ask that you do not announce your involvement until we have posted all of the swims on our website, along with a photo of each performer

- The California Mermaid Convention will pay 60 days in arrears for performers. If payment is not claimed in 90 days, forfeit to convention
- Cancellation/Late Policy: A booked session performer must give 90 days notice if they wish to pull out of the event. There will be a penalty/broken contract fee equal to the number of signups for your swim. Special consideration will be taken into consideration for air travel complications.
- Performers must arrive on site a half hour ahead of their scheduled swim time to check in and change. Performances start and end exactly as scheduled.
- We ask that all performers costumes are modest and family friendly. If you are accepted as a performer, The California Mermaid convention will ask for images of the costume pieces you are planning on wearing, and approve them for your performance. If you wish to make a change to your costuming, you must inform the convention in writing.
