

**SUPPORTING SOUTH FLORIDA
FORMER FOSTER YOUTH
ON THEIR JOURNEY TO INDEPENDENCE**

The Need

Every year, young adults age out of foster care with little more than the clothes on their backs. Without family to lean on, many begin life on their own without even the most basic household necessities. This lack of essentials can make the already challenging transition to independence even harder, leaving them vulnerable to instability and hardship.

This is the reality for 100's of South Florida former foster youth who age out of the child welfare system each year!

Our Solution

The New Beginnings Essentials Kits will provide each youth the tools to start their lives on the right foot—from bedding and cookware to towels, cleaning supplies, and more. These kits represent dignity, stability, and hope for a brighter future.

How Leadership Miami Can Help

- **Fundraising** — Help us raise the funds needed to assemble 50 kits.
- **In-Kind Donations** — Collect household items to fill the kits.
- **Assembly & Distribution** — Join us in assembling the kits starting Day 80 of the project and distributing them in the following months.

- **Business Etiquette Workshop** — Host a workshop for former foster youth (including kit recipients and our Youth Advisory Council members) immediately followed by the New Beginning Essentials Kit Distribution Kickoff.

The Impact

Your support will directly provide 50 young adults with the basic tools they need to begin their independent lives. More than that, you will send a powerful message: "You are not forgotten. You are valued. You are not alone."

Together, we can turn empty spaces into homes and uncertainty into hope.
