From Uncertainty to Independence

Each year, young adults age out of foster care without the support systems many take for granted.

No stable housing.
No financial safety net.
No clear path forward.

Out of Foster Foundation helps bridge that gap through housing support, life skills development, educational assistance, mentorship, and employment readiness programs designed to help former foster youth thrive independently.

Today, thanks to supporters like you, young adults who once faced uncertainty are building stable, productive, and hopeful futures.

Out of Foster Foundation's signature fundraising event, the annual Hope Under The Stars Gala, offers a unique opportunity to support and empower South Florida's former foster youth while showcasing your company's products, services, and community commitment during an elegant and inspiring evening of celebration, networking, and purpose.

It is a win-win investment, partnership and community-building prospect!
