

TEAM CITRUS-OOFF

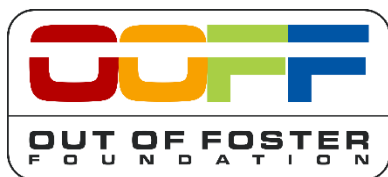

Citrus Family Care Network (Citrus FCN) is the lead agency managing foster care and all child welfare related services in Miami-Dade and Monroe Counties, including transitioning youth services for former foster youth.

Citrus FCN is contracted with the Florida Department of Children and Families and is part of a larger organization, Citrus Health Network, which has been serving South Florida since 1979.

As the lead agency, Citrus oversees all aspects of child welfare in the local community, including transitioning youth services for nearly 300 young adults who have aged out of foster care.

Established in 2017 as MagicWaste Foundation, Out of Foster Foundation (OOF) is an all-volunteer non-profit dedicated to supporting youth who have aged out of foster care.

OOF has worked in partnership with Citrus FCN since 2019, focused on raising funds for its Excalibur Youth Empowerment Project, which includes granting housing stipends or subsidies to support youth who have aged out of foster care. To date, the program has helped more than 40 young adults.
