

High Times Cannabis Cup 1st place for best vape cartridge 2018

"...pick up Cobra Extracts vapes and concentrates only when you want a great high..."

"This is truly a gourmet product, made by people who care about where their pure oils will take you"

# FLAUNT

"A lot of us have been smoking weed for a while, but the whole game changes when you get your goods from scientists and engineers. Cobra Extracts is a brand dedicated to developing products from the highest quality plants to ensure everyone's intoxication is advanced."

4.4 Stars on Weedmaps  
(Many of our individual products are reviewed even higher on Weedmaps)

"This pen hits hard and smooth"

"This writer can attest to the power and flavor of Cobra Extract vape cartridges."

"The quality overall is amazing."  
10 out of 10

"It's easy to see how Cobra Extracts can become a go-to brand for people seeking solventless oil with a clean aromatic flavor."

CANNABISTRIVES.COM

"Once you get your first hit of Elev8, it's understandable why they won a cannabis cup last year."

INTERNATIONAL  
HIGHLIFE

"Take huge hits with little effort and quickly become high within seconds."

"For those who appreciate a concentrate packed with true to strain flavors, these carts might be calling out your name."

"Cold Filtered Goodness"
