AN EQUAL OPPORTUNITY HOUSING PROVIDER

APPROVAL CRITERIA FOR RESIDENCY

(Updated 03-04-2022)

A CREDIT SCORE OF 665 MINIMUM IS REQUIRED FOR RESIDENCY IN OUR COMMUNITY. NO BANKRUPTCIES WITHIN THE LAST 5 YEARS.

In order to maintain the high quality of occupants that our community has experienced since 1974, approval for residency is based on many factors including, but not limited to, credit history, income, criminal history and past rental history.

Prospective residents must submit a completed and signed Application for Residency, Declaration of Residency, an IDL release and a legible copy of at least one piece of government issued identification bearing a photograph of the applicant.

Upon receipt of the above listed items, El Dorado Estates will submit necessary information to our credit reporting agency, RentSpree. RentSpree will send you an email and you will need to answer a few questions on that email to verify your identity. Applicant will pay the credit report fee on that web site. Where a credit report indicates zero or minimal credit history, other documents may be required, previous landlord rental verification or utilities may be able to provide the additional information needed for approval.

Applicant's monthly income must be higher than three (3) times the monthly rent plus all other recurring monthly financial obligations, such as car payments and insurance, credit card payments, and utility bills including gas, electric, home phone, cable, internet, water, sewer, trash, etc. Proof of income may be requested prior to approval.

El Dorado Estates provides equal opportunity in housing under guidelines of the Fair Housing Act.

(Please fill out the attached income budget worksheet and return with your application.)
