AN EQUAL OPPORTUNITY HOUSING PROVIDER

PERMISSION TO RELEASE INFORMATION

Under Nevada Revised Statute NRS 179A.100.1, EL DORADO ESTATES may request records of criminal history (or the absence thereof) about any prospective resident. What may be released by any agency of criminal justice without any restrictions are: any record reflecting a conviction and any record which pertains to an incident for which a person is currently within the system of criminal justice. This information is to be used by the company listed above ONLY and not to be disseminated to any other person(s) or apartment complexes or management companies.

As a routine policy, we require any prospective tenant to grant us a release. We are not required under the law to get a release but want you to know that we routinely get the criminal information or lack thereof, from a police agency in order to protect our residents and the public. Your granting the release is a condition of your being considered for tenancy at this community.

Thank you for your cooperation.
