

NORDIC-NIGERIA HEALTH & WELLNESS FORUM

BUILDING BRIDGES FOR HEALTH, PARTNERSHIP AND SUSTAINABLE GROWTH

Project Snapshot

1. Overview

The Nordic-Nigeria Health & Wellness Forum is a strategic platform connecting Nigeria and the Nordic region through health, holistic wellness, preventive care, research, education, innovation, and institutional partnership.

2. What the Forum Does

- Promotes dialogue and partnership between Nigeria and the Nordic countries
- Supports health, holistic wellness and preventive care initiatives
- Encourages research, education and knowledge exchange
- Builds institutional, business and community collaboration
- Facilitates events and stakeholder engagement in both regions

3. Focus Areas
