To Whom It May Concern:

I am writing this letter of recommendation for Smart Furniture Promotions with regards to the handling of Crockett Furniture's going out of business sale. After 47 years in business it was a difficult decision to have a third party facilitate our final sale, but it was the right decision. Robert was instrumental in the success of our sale. He did an amazing job coordinating his team with our sales staff. He aided in all aspects of the sale, the sales floor, advertising, warehouse, and answering employee and customer questions. At Crockett Furniture, we took pride in our high standards for customer services. Robert and his team not only met, but exceeded those standards. All of Robert's hard work allowed us to be in a very strong position at the close of our business. I feel very comfortable recommending Robert Putt for any sales you have in the future. Feel free to contact me with any questions regarding Robert's work with our sale.
