This long journey is now over, we have reached the **final** day of our G.O.B. sale. It is a trip we could not have made without the outstanding talents of one man, Mr. Robert Putt. As conductor. Robert's enthusiasm and energy **never** waned during our long, long sale. His continuing optimism was contagious and proved to be a key element in the sale's success!

Successful is an understatement. Our final total for this G.O.B. sale was an astounding 9.1 million dollars. Advertising costs were contained at only 2.8%! I feel that such numbers represent a mission accomplished not only for our store, but for Robert.

I would recommend his services in an instant, and will do so!

Thanks to everyone for a great sale.

Sincerely,

Scott Jensen, GM.
