Mr. Robert Putt

Dear Robert:

We are very grateful for your hard work that made our "Retirement — Close Out" sale as successful as possible. This is not the first time we have worked with you, and the level of dedication you showed made us very confident in our decision.

Your extensive knowledge of the business and personable yet professional manner was greatly appreciated by our staff and customers. You were quick to resolve any disputes in the best interests of both parties. We received numerous compliments about your work ethics from our customers and would like to echo that sentiment. You even went out of your way to help with deliveries and restocking the furniture — always working hard to make the sale as efficient as possible. We commend all your efforts and are confident and delighted to refer you to other stores.

Sincerely,

  
Ramon Rodriguez  
President
