

ATTENTION REAL ESTATE AGENTS!

Don't miss this chance to introduce your clients to an innovative vacation home opportunity. River Rock is a unique, energy-positive, eco-friendly luxury resort community spanning 400 acres with 350 lots in Glenville, North Carolina. Set apart by its cutting-edge design and energy-positive construction, River Rock offers unmatched amenities and features.

Located by the scenic Tuckasegee River at over 4,000 feet elevation, River Rock boasts a prime location in Western North Carolina, minutes from downtown Cashiers and Highlands, and close to popular attractions like the Cherokee Casino and ski slopes.

With an average summer temperature of 83 degrees, River Rock provides the perfect backdrop for year-round enjoyment. Our meticulously designed 3 and 5 bedroom floorplans prioritize efficiency and rental income potential, while offering stunning mountain views and maintenance-free luxury finishes.

Choose from ultra-modern or traditional exteriors, with adjacent Waterdance community lots also available. Seize this opportunity to introduce your clients to the future of vacation home living. Contact us today to join the River Rock community.
