

Tucson Saddle Club Saddle Stars

The Tucson Saddle Club is initiating a new program for our members called Tucson Saddle Stars. It has been created to reward members for spending time with their equines and operates on the honor system. It is open to all club members including family members who must enroll separately. Any questions contact Aleta Lee, 520-275-3419 or altomranch@yahoo.com.

1. This program will be administered by Aleta Lee.
2. There is a one-time registration fee of \$10. No additional funds will be required as long as club membership is current. There is a 30-day grace period for club membership.
3. Family memberships must enroll individually.
4. Riders may ride more than one horse.
5. All horses must be owned by enrollee or members of their family.
6. Eligible hours are those spent interacting with your horse. Eligible activities are riding, driving, and groundwork. Hours spent grooming, feeding and providing ongoing maintenance do not count.
7. Hours are recorded in ½ hour increments. Example: 1 hour 15 minutes is recorded as 1.5 hours. 1 hour 10 minutes is recorded as 1 hour.
8. Once enrolled a member keeps track of their time on the log sheets provided and are submitted quarterly according to the time frames on the log sheet. Log sheets may be mailed, emailed or texted and must be received by the stated deadlines.
