

# What is new for the 2019-2020 Latigo Winter Buckle Series?

## SATURDAY

- We will no longer have English Paid Warm Up or Western Paid Warm Up classes. The arena will be open until 7:45 A.M. and during our 30 minute lunch break before Western starts.
- **NEW GREEN HORSE A & GREEN HORSE B CLASSES**
  - Green Horse classes are the ONLY classes that will be based on horses ability, not the riders ability.
  - Any division can enter the Green Horse A & B class with the exception of Walk/Trot riders who must show in the Green Horse A class.
  - Green Horse A will be a ridden rail class that calls for the Walk and Trot. Green Horse B will be a ridden rail class that calls for the Walk, Trot, and Lope.
  - These classes will be judged but will not count towards end of the series buckles.
  - Green horse is defined as any horse that is new to showing and has not been ridden under saddle for more than a few years.
- **NEW ADVANCED AMATEUR WALK/TROT CLASSES**
  - This division is designed for those that are proficient at the walk/trot level but cannot lope due to health issues, are experienced riders but do not lope, do not feel comfortable riding at the lope, or do not want to lope.
  - Amateur riders that qualify for this division are defined as "riders that have not shown, judged, trained or assisted in training a horse for remuneration, monetary or otherwise, either directly or indirectly, nor received remuneration for instructing another person in riding, driving, training or showing a horse."
  - If a rider has buckled in Walk/Trot Junior or Senior and is choosing not to move into lope classes, they must go into Advanced Amateur Walk/Trot division.
  - Riders that have shown in Age Group or Novice divisions in past show seasons can move into the Advanced Amateur Walk/Trot.
  - Remember that divisions at Latigo are based on riders ability not the horses ability and that with Latigo standing rules state riders may only enter a division once.

## SUNDAY

- Now offering 40 & Over events, 19 & Over events are now classified as 19-39.
