

Bellator Compensation Plan Overview

The Bellator Compensation Plan combines two powerful structures: a two-team binary and a 15-level unilevel plan. This hybrid system rewards participants through direct sales, team performance, daily node earnings, transaction fees, and rank-based bonuses.

Section 1: Compensation Plan Basics 15 Level Unilevel

Free Registration:

- Eligible to earn from 3 levels in the unilevel plan.

Rank Advancement Unlocks More Levels:
