Summary

🔥 Why Bellator Card Stands Out

Unlike standard crypto cards that simply offer cashback, the Bellator Crypto Debit Card unlocks:

1. Upfront rewards to 7 levels
2. Lifetime residuals across 15 levels
3. Referral payouts instantly—every swipe triggers rewards
4. Low barrier entry: \$99 one time fee with massive ecosystem utility
5. Global scale with Mastercard acceptance
6. Real leverage for builders, influencers, and crypto holders
7. The rewards are in PNIC

💡 This makes Bellator not just a spending tool—but a passive income engine.🎯 One of the most powerful referral models on the planet.
