Welcome to Great Lakes Center of Rheumatology

Our rheumatology practice aims to care for patients in a compassionate and cutting-edge style. We believe in the treatment of the entire person and our goal is to work with everyone to find the treatment plan that works for them.

This appointment was requested by another physician who is treating you and who should have already notified you of this appointment. The following points should be kept in mind to avoid delays or the need to reschedule. Visits with our physicians are by appointment only.

- **Due to the length of this packet, please arrive 20 minutes prior to your scheduled appointment time. This allows us time to process your chart. Arriving less than 20 minutes prior to your appointment will result in having to reschedule your appointment.**

- Have your attached new patient information packet COMPLETED PRIOR TO YOUR APPOINTMENT! Due to the length and detail of this paperwork, not having this completed when you arrive, will require us to reschedule your appointment.

- Bring a picture ID and all of your current insurance cards, if you do not bring your insurance cards to your new patient appointment, your appointment will be rescheduled.

- Bring copies of lab and X-ray reports with you to your appointment, if applicable.

- If your insurance changes between scheduling the appointment and your appointment date, please call our office to make sure that we accept your new insurance.

- We are frequently asked to fill out paperwork. It is office policy to meet with a patient at least 3 times before we are comfortable filling out paperwork.

- **COPAYS ARE DUE AT THE TIME OF SERVICE!** For your convenience, we accept Visa, MasterCard, and Discover. If your insurance does not cover office calls, you will be required to pay at the time of service. If you are unsure of your copay amount, please contact your insurance carrier prior to your appointment.
