JULY 2025

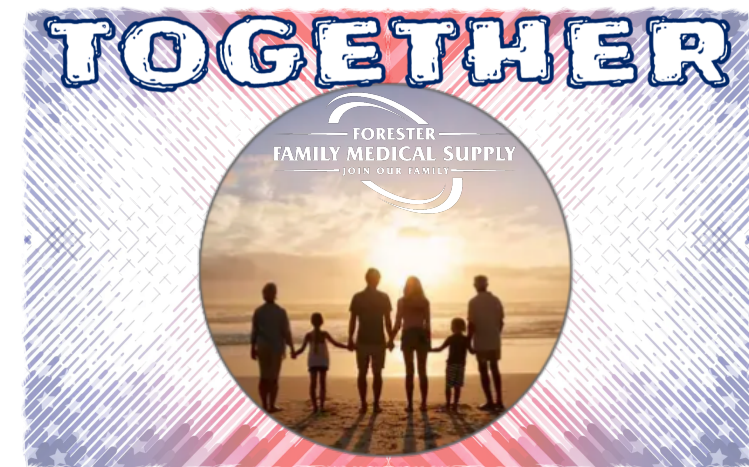

Making a Difference Through Our Work

At Forester Family Medical Supply, we believe that every delivery, every phone call, and every moment of support is an opportunity to make a real difference in someone's life. Our mission is rooted in helping individuals and families access the medical supplies and equipment they need to live with comfort, confidence, and dignity.

From mobility aids and bathroom safety products to daily living essentials and more, we proudly serve a diverse range of needs—always with compassion, reliability, and a personal touch. Our work brings us into homes, care facilities, and communities where our support can truly ease burdens and create peace of mind.

We're grateful for the relationships we've built and the trust our community has placed in us. But we're not stopping here. We're actively looking to reach more families, assist more care providers, and connect with those who could benefit from our services but may not know we're here.

If you know someone who could use our help—or if you're part of an organization seeking a dependable DME partner—please reach out. There's nothing more rewarding than growing our impact and continuing to serve with heart.

PARTNERSHIPS IN ACTION: COMMUNITY IMPACT!

At Forester Family Medical Supply, we believe that collaboration is the key to meaningful service. Over the past year, we've been proud to join forces with a growing network of local organizations, healthcare providers, senior care centers, and community outreach groups—all united by a shared purpose: to support and uplift those who need it most.

From coordinating equipment drop-offs for patients transitioning home from care... to helping underserved families access essential medical supplies... to providing trusted support for care teams across our region—these partnerships have helped extend our reach and deepen our impact in ways we couldn't achieve alone.

Together, we've:

-  Delivered comfort and safety to hundreds of households
-  Made care more accessible through Medicaid & Medicare support
-  Responded to urgent needs with speed, compassion, and integrity
-  Strengthened our ties with the people and places that make our community special

Each connection has been built on mutual respect and a commitment to doing what's right. Whether large-scale collaborations or simple referrals, every partnership has been a step toward a healthier, more supported community.

As we look ahead, we're more inspired than ever to continue this mission — welcoming new partners, deepening existing relationships, and finding creative ways to serve together.

JULY FUN FACTS...

**13TH EDITION
JULY 2025**

- 1) It's National Ice Cream Month!
Proclaimed by President Ronald Reagan in 1984, July is officially dedicated to the cool, creamy treat. Don't forget to celebrate with a scoop (or three)!
- 2) The "Dog Days" Begin = The hottest days of the year—known as the Dog Days of Summer—kick off in mid-July, tied to the rising of the star Sirius (the "Dog Star") in ancient Roman times.
- 3) Fireworks & Freedom = Americans buy over \$1 billion worth of fireworks each July in celebration of Independence Day. It's one of the loudest holidays of the year!
- 4) July Is Named After Julius Caesar = Before it was July, it was "Quintilis" (meaning fifth month). It was renamed to honor Julius Caesar, who was born this month in 100 B.C.
- 5) It's the Peak of Watermelon Season = Nothing says summer like a juicy slice of watermelon—and July is the best time to enjoy it. Americans eat more watermelon in July than in any other month.
- 6) Sharks Get the Spotlight = Shark Week, one of TV's most popular annual events, usually airs in July—making it the only time people voluntarily root for sharks.
- 7) The First Moon Landing Happened in July = On July 20, 1969, Neil Armstrong took that "giant leap for mankind" and walked on the moon.
- 8) It's a Big Month for Birthdays = July is one of the most popular birth months in the U.S.

INTRODUCING...

Marley Ballew and Beatriz Baca

We're excited to welcome two fantastic new additions to our Patient Care Team this month — Marley Ballew and Beatriz Baca!

Marley brings a compassionate approach and a strong background in patient service. Her warm demeanor and attention to detail help ensure our patients feel truly cared for every step of the way.

Beatriz comes to us with a wealth of experience in healthcare support and patient communication. Her friendly, calm presence makes her a natural fit for our mission of delivering accessible, attentive care.

Please join us in giving Marley and Beatriz a warm welcome! We're grateful to have them on board as we continue to grow and serve our community with excellence.
