Celebrating Our Patients and Families

At Forester Family Medical Supply, our patients and their families are the heart of our mission. It is truly a blessing to serve such an incredible community, and we are grateful for the relationships we've built along the way.

Every day, we have the honor of helping families navigate their medical supply needs — offering not just products, but guidance, compassion, and understanding. We know that behind every order is a loved one who deserves comfort, dignity, and peace of mind. That's why our team goes above and beyond to make the process simple, supportive, and personalized.

We don't just provide supplies — we care deeply about the people who use them. By choosing us, you're joining a community that values trust, kindness, and genuine care.

Join us today and experience the difference of being part of the Forester Family.

- 1) **Longest Month with 31 Days:** Only seven months have 31 days, and August is one of them — but it's the only one named after a Roman emperor, Augustus Caesar.
- 2) **Dog Days of Summer:** The phrase "dog days" comes from the rising of Sirius, the Dog Star, which shines brightest in August.
- 3) **Watermelon Month:** Americans eat more watermelon in August than any other month of the year. 🍉
- 4) **Funny Calendar Quirk:** August used to have only 30 days. Legend says Augustus Caesar added a day to make his month as long as Julius Caesar's (July). Talk about sibling rivalry!
- 5) **Back to School Vibes:** For most kids, August is the bittersweet month, summer fun meets the smell of new pencils and notebooks. 📚
- 6) **Smart Astronomy Note:** The famous Perseid meteor shower peaks every August, treating stargazers to one of the brightest shows in the night sky. 🌠
- 7) **Thinking Point:** August is the only month without a major U.S. holiday, maybe it's a reminder to slow down, recharge, and enjoy life.

Join Our Family

SHARING KNOWLEDGE, STRENGTHENING THE COMMUNITY

We're Here for More Than Just Supplies!

At Forester Family Medical Supply, we believe our mission goes beyond providing quality medical equipment. We're here to serve as a partner in health, a source of support, and a trusted guide for our community.

Our team is dedicated not only to ensuring you have the supplies you need, but also to educating and empowering families with the knowledge to make the best choices for their well-being. Whether it's understanding Medicare and Medicaid benefits, learning how to safely use equipment, or gaining insights into the latest healthcare solutions, we're committed to helping our community thrive.

Because when we share knowledge, offer guidance, and lend a helping hand, we build a stronger, healthier community together.

TEAM WORK = FAMILY

Welcoming Our New Team Members

We are so excited to share that several new team members have joined Forester Family Medical Supply, and they're already making a huge impact in our community! From day one, they've jumped right in building meaningful connections with patients, supporting families, and bringing fresh energy to our mission.

Their passion for helping others and dedication to providing top-quality care is already shining through, and we couldn't be more proud to have them on our team. Please join us in giving them a warm welcome — together, we are stronger, and our community is better because of their hard work and heart.
