

# HAPPY NEW YEAR!

JANUARY 2026 NEWSLETTER

## NEW PRODUCTS & INNOVATIONS

We're excited to bring in new medical products designed to make daily life safer, easier, and more comfortable for our patients. From adaptive equipment to sleep-support solutions, we're always searching for tools that truly make a difference at home.

### **CUBBY BEDS: SAFE, COMFORTABLE SLEEP**

Cubby Beds continue to be one of our most loved offerings! These specialty beds provide a safe, calming sleep environment for individuals with special needs—giving families peace of mind and better rest for everyone.

If you'd like to learn more or see if a Cubby Bed is right for your loved one, we're here to help every step of the way.

## FAMILY FIRST, ALWAYS

Every patient who walks through our doors is treated like family. We take the time to listen, understand individual needs, and provide care with compassion, patience, and respect. Our goal is not just to provide medical supplies—but to support lives, homes, and communities.

## SERVING OUR COMMUNITY

We are proud to partner with families, caregivers, healthcare providers, and community organizations. Together, we work to create solutions that support comfort, independence, and dignity for every patient we serve.
